

IT'S TIME TO SEE A MAN ABOUT A HORSE

First Sheriff Bill Federspiel spent \$15,000 so he could tool around in his cool classic cruiser.

But he forgot you need to check the oil frequently in old engines; and when the engine blew, he couldn't afford to fix it because...

He'd just spent the last \$5800 in the Vehicle Repair fund - ON A HORSE.

Sheriff Bill Federspiel has a certain flair. When it comes to projecting an image, he's got that part of his job down pat. So, Bill wanted to project an old-fashioned law enforcement image. He bought a classic car for \$15,000 and tricked it out to look like Mayberry RFD. Bill rode around in the car. Did lots of parades, showed up at public events. And forgot that old cars need lots of oil changes. So, Bill blew the engine on his image - mobile. That was another \$4000. He went to the Vehicle Repair fund to get the money to fix the engine in his fancy car; but the fund was out of money. Why? Because Sheriff Bill had just spent \$5800 on a horse! So he had to restore horsepower to his car, with money that could have helped our community. We need a Sheriff who will spend his budget wisely, and make sure our lives, and his deputies' lives - are protected - and not spend his time horsing around.

WE NEED A NEW SHERIFF, NOT NEW TAXES

“Let’s face it there aren’t too many people I know of in Saginaw county that want to pay any more money in their taxes for a jail.” - Sheriff Federspiel

When Sheriff Bill was making his spiel for a new jail, he told us, “It won’t cost one thin dime.” He said the bonds would be paid for by personnel reductions.

Now, he wants a tax increase to increase personnel.

This would be the second tax increase he’s asked for, quadrupling the tax he started with.

IF YOU MAKE ME YOUR NEXT SHERIFF, HERE IS MY PROMISE TO YOU. I WILL RUN THIS DEPARTMENT ON WHATEVER MONEY THE TAXPAYERS SEND ME—WHETHER YOU APPROVE THE NEW MILLAGE, OR NOT.

(See the other side of this mailing if you doubt that the Sheriff’s Department finances could be run more efficiently.)

Balancing the budget of the department, while providing quality services to residents is my first priority, and I will deliver. I will:

- ✔ Promote aggressive contract negotiation for goods and services purchased by the Saginaw County Sheriff’s Department.
- ✔ Seek to reduce jail population through innovative programs such as the expansion of GPS tethering, and partnering with judges to consider alternative sentencing options.
- ✔ And most of all, I will not be requesting tax increases to fund unnecessary expenditures.

ON TUESDAY, AUGUST 4TH I WOULD APPRECIATE YOUR VOTE. *Kevin Stevens*

“I have lived in Saginaw County my entire life. My passion has always been in public service and law enforcement. After graduating from Freeland High School, I joined the United States Army as a Military Police Officer. In 1991 I started my career with the Saginaw County Sheriff’s Office after college beginning as a Deputy and retiring as a Lieutenant. My work ethic and background in fiscal management are the foundation of my commitment to increasing public safety and spending public money responsibly.”

CHARLES H. COLEMAN FOR UNDERSHERIFF

My desire and interest for being in Law Enforcement came when I was 7 years old, while visiting my grandparents during the summertime. My Uncle Edward Mosley Jr. (Retired Grand Rapids Police Department) would often stop by for lunch, and would always show me around his patrol vehicle. Upon graduating from Saginaw High School and Western Michigan University I fulfilled my dream when I was hired to work for the Saginaw County Sheriff’s Office in 1996. Shortly after, I began working for Saginaw City Police Department, where I retired as a Detective in 2016. I now serve as a proud member of the Saginaw Valley State University Police Department as well as an Adjunct Instructor at the Delta College Police Academy.
